Subject: Milander Center Bid

We have Addendum #8 and the deletion of the Receiving Yard is not clearly stated in the addendum.

Do we delete the masonry fence with footing, blocks tie columns and cap that surrounds the yard?

Do we delete all the 5" thick SOG in all that area?

Do we delete the loading dock slab per X/S-3.1 and 1/S-5.2?

Do we delete the on grade steps per V/S-3.1 and W/S-3.1?

Do we delete the wall perpendicular to the bldg per V/S-3.1; also seen in plan on S-1.1 & AA-1.1; defined here as "Dumps"?
